

4.2.4 Percentage per day usage of library by teachers and students (foot falls and login data for online access) during the latest completed academic year.

4.2.4.1. Number of teachers and students using library per day over last one year

INDEX SHEET

Query Number	Findings of DVV	Index Link
1	Copy of library login/logout -register of teachers and students for the last academic year of assessment period, attested by Principal.	1-19

DVV Clarification

4.2.4 Percentage per day usage of library by teachers and students (5)

Provide/ upload last page of accession register details	Method of computing per day usage of library	Number of users using library through e-access per day	No of teachers accessing library per day	No. of students accessing library per day	Total
Koha-Automated Transaction Log		9	28	212	249

AY 2020-21	Total No. of Teachers	109
AY 2020-21	Total No. of Students	1638
	Grand Total	1747

Formula:
$$\frac{\text{Number of teachers and students using library per day}}{\text{Total number of teachers and students}} * 100 = \frac{249}{1747} * 100 = 14.25\%$$
