

Webinar on “Importance of Communication Skills”

Vibrant Publishers in association with ATMECE has organized webinar on Importance of Communication Skills on 19/11/2020. The webinar was targeted for final year students who wish to learn about digital marketing and the technologies associated with it. The webinar was aimed to Interact with the Industry representatives to understand with impact of effective communication.

A detailed report regarding the webinar is furnished below.

Date: 19/11/2020

Title: Importance of Communication Skills

Timings: 4:00-5:00 P M

Link: meet.google.com/rxr-zokh-yvf

The ability to communicate effectively with superiors, colleagues, and staff is essential, no matter what industry you work in. Workers in the digital age must know how to effectively convey and receive messages in person as well as via phone, email, and social media. The webinar was hosted by Ms Heena Jain Ostwal, Industry expert on soft skills. The webinar included an interactive session followed by comprehension activity with industry experts addressing their understanding on verbal and barriers of communication to address the Skill Gaps. The presentation highlighted the expectations of the Corporate and how that can be met by acquiring specific skill sets through creativity and analytics. By the end of this Webinar, students were specifically emphasised on

1. Vocabulary
2. Readability
3. Grammar
4. Verbal improvisation

Department of Training and Placement

ARE YOU READY FOR THE MOST EXCITING WEBINAR conducted exclusively for your college?

TOPIC
Importance of Communication Skills

Speaker - Heena Jain Ostwal is currently working as the Head of the Test Prep Division of Vibrant Publishers. She was associated with one of the largest and renowned studies abroad institutes of northern Maharashtra as the Manager of Training Division and Head of the Documentation Department. In a span of over 11 years, she coached, guided, and monitored over 1500 students for various standardized tests viz. GRE, GMAT, SAT, IELTS, and TOEFL.

Also, she has helped over 500 students with their application documents such as SOP, Essays, Letters, Emails, and Resumes. She has been the main as well as co-speaker for over 100 seminars held in different colleges and schools. In her spare time, she freelances as a content writer for blogs and websites.

SPEAKER
Heena Jain Ostwal

KEY TAKEAWAYS:

- TIPS ON IMPROVING OVERALL COMMUNICATION SKILLS
- ROLE OF VOCABULARY IN COMMUNICATION
- TIPS ON IMPROVING VOCABULARY
- AN EXERCISE FOR IMPROVING OVERALL COMMUNICATION

**PARTICIPANTS
WILL GET
A PARTICIPATION
CERTIFICATE**

Webinar Date: 19th November, 2020 at 4 pm

TRAINING REPORT

OF CAMPUS RECRUITMENT TRAINING FOR

Students OF

ATME College of Engineering, MYSORE

CONDUCTED BY

**SEVENTH SENSE TALENT SOLUTIONS,
BENGALURU**

WWW.SEVENTHSENSETALENT.COMWWW.SEVENTHSENSETEST.COMWWW.FACEBOOK.COM/SEVENTHSENSETALENT

Email: info@seventhsensetalent.co

Dear Respected Prof. Deepak Sir,

At the outset, warm greetings from me and the entire team at Seventh Sense Talent Solutions. The details of the training, we have conducted for the **fourth year** students of **ATME College of Engineering, Mysore** are furnished in this document.

DATES FOR THE PROGRAM:

23rd November to 15th December 2020 for the **Year 2020**.

TOPICS COVERED DURING THE TRAINING PROGRAM:

Day	Date	Topic	Trainer Name
Day 1	23/11/2020	HCF LCM + Logarithms	Suman
Day 2	24/11/2020	Resume Writing	Neeraj
Day 3	25/11/2020	Interview Skills	Neeraj
Day 4	26/11/2020	Simple Interest + Compound Interest	Suman
Day 5	27/11/2020	Blood Relation	Neeraj
Day 6	28/11/2020	Mixtures and allegation	Krishna Bai
Day 7	30/11/2020	Calendars	Suman
Day 8	1/12/2020	Pipes and Cistern	Sushmitha Dhawan
Day 9	2/12/2020	Cubes and Cuboids	Ranjith Babu
Day 10	3/12/2020	Partnership	Krishna Bai
Day 11	5/12/2020	Visual Reasoning	Jyothsna
Day 12	7/12/2020	Profit and Loss	Abhyuday Shetty
Day 13	8/12/2020	Ratio Proportion	Abhyuday Shetty
Day 14	9/12/2020	Series+ Odd Man Out	Abhyuday Shetty
Day 15	10/12/2020	Permutation Combination	Ranjith Babu
Day 16	11/12/2020	Group Discussion+ Online Interviews	Neeraj
Day 17	12/12/2020	Jumbled Sentences+ Reading Comprehension	Suman
Day 18	14/12/2020	Mensuration	Amit Singh
Day 19	15/12/2020	Antonyms and Synonyms+Vocabulary	Akbar

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.

- This training program helps them leverage their most marketable-and transferable-skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

TRAINERS RATINGS:

Feedback report	
Average college feedback:	9.25
Highest average feedback by a trainer:	9.92
Least average feedback by a trainer:	3.24

Positive feedback	Constructive
Good Interaction to Students	Need more classes
Interesting session	
Innovative session	

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable-skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

The students are very co-operative and enthusiastic to learn. We would like to thank the Placement Department and the Management Team of **ATME College of Engineering, Mysore** for giving us this opportunity.

Department of Training and Placement

Title of the event: Webinar on Machine Learning Using Python

Date: 27/05/2021

Venue: Virtual Webinar – Go to meeting.

Event Description: At the center of the webinar were the following aspects:

- About recruitment
- Machine learning with python
- Certification Importance

The webinar was organized by the Training and Placement Dept, ATME College of Engineering to the Department of Computer Science and Department of Electronics and Communication Engineering in Association with Core Code IT Solution Pvt Ltd. The main purpose of this Webinar is to bring the knowledge and importance of machine learning using the python, about recruitment and about certification.

Machine Learning is the applicable science of making computers work without being explicitly programmed. It is mainly an application of Artificial Intelligence (AI) that allows systems to learn and improve from experience, without any human intervention or assistance. Machine Learning algorithms help the systems to identify patterns in a given data, build self-explanatory models, and make predictions.

Simply put, machine learning can successfully perform any intellectual task that be performed by a human, such as learning, planning, decision-making, communicating, cracking jokes, manipulating people, and the most interesting of all, reprogramming itself. Mathematics, Logic, Probability, Linguistics, Neuroscience, and Decision Theory lay the foundation of Machine Learning. Whereas, fields like Computer Vision, Robotics, and Natural Language Processing have contributed to great innovations, in every aspect.

Machine Learning keeps on innovating every aspect of the business and has been shaping up the futures even more powerfully now and those who are still not able to understand its importance and utility make have to lag behind the others. Starting from housekeeping to new drug discovery, Machine Learning has revolutionized the way things were done earlier.

2020-21

A report on
Student Induction Program (SIP)
Phase-II Report
2020-21

03 MAY 2021 TO 10 MAY 2021

VENUE: MS Teams Online Meeting Platform

Context, Background of SIP and UHV in SIP

The purpose of education is to prepare the student to live a fulfilling life. In the draft NEP 2019, the purpose is articulated as “education for the development of full human potential and a just and equitable society”. It may also be put as “education for the well-being of all”.

For this to happen, it is essential to understand the meaning of “fulfilling life”, “full human potential”, “just and equitable society” and “well-being of all”. When these meanings, understanding or values guide the actions, then the cherished purpose or goals may be realized.

However, when these values are not guiding the actions; and some other assumed values are influencing the actions, then the outcomes may be quite different – it is not definite whether they will be desirable or otherwise. That is the indefiniteness we see all around. Education has become skill biased with the value aspect almost missing.

In an effort to bring in the value aspect, AICTE has taken the initiative to include Universal Human Values (UHV) for the newly joined engineering aspirants. The program is scheduled for 21 days comprising the Universal human values, co-curricular activities, departmental visits, and visits to nearest heritage places, industries etc.,

The SIP is intended as a welcoming orientation for incoming students:

1. To become familiar with the ethos and culture of the new surroundings
2. To develop bonds with peers, seniors, faculty and staff
3. To provide an exposure to a holistic vision of life
(based on larger national and human good; or the well-being of all), Develop awareness, sensitivity and understanding of the Self---family---Society---Nation---International---Entire Nature
4. To develop a healthy lifestyle and ethical professional discipline
5. To connect and appreciate the diversity of cultures
6. To overcome weaknesses in some essential professional skills to be ready for higher study (only for those who need)

The UHV module is intended to address goal #2 (above) by starting a process of self-inquiry, to develop clarity on life-goals and relationship. At the minimum, it should help the student to see the need for developing a holistic perspective of life. It is also intended to begin to guide all other activities, particularly during the SIP.

CIRCULAR

Subject: Induction Programme for 1st-semester B.E./B.Tech./B.Arch./B.Plan., students the academic year 2020-21 regarding..

Reference:

1. VTU/BGM/502/2020-21/4162, dated 04.12.2020
2. AICTE/AB/Academic-Calendar/2020-21, dated 13.08.2020 (Annexure-I point no. 05 at the note: section).
3. VTU/Aca/A-9/2019-20/4316, dated 08.12.2021
4. Hon'ble Vice-Chancellor's order dated: 27.04.2021

The main aim of the induction program is to provide newly admitted students a broad understanding of society relationships and values. Along with the knowledge and skill of his study, students' character needs to be nurtured as an essential quantity by which he/she would understand and fulfill the responsibility as an engineer.

In continuation of the circular mentioned at reference number 03, and also on account of the situation related to the COVID-19 pandemic, 21 days' Induction Programme is reduced to one week at the time of commencement of 1st semester vide circular mentioned at reference 02.

Currently the university has suspended the examinations, offline classes. In this period, all the colleges are hereby directed to plan and cover the following topics **ONLINE** up to 12.05.2021 during the second session of the students' Induction program-

1. Universal Human Values
2. Lecture by Eminent Persons to inform emerging areas of the respective branches in which students have taken admission.
3. Lectures by Eminent Persons on career guidance and scope of their branch.
4. Creative Practices and innovations.
5. Extracurricular activities.
6. Awareness of COVID-19, SOP to be followed, and importance of Vaccination.
7. Physical Health and related activities, Importance of yoga/meditation/physical exercise to keep fit.
8. Arts and Culture
9. Language proficiency modules
10. Literary Activities- writing its summary, and possibly, debating, enacting a play, etc

You are hereby informed to conduct revision classes for 1st semester B.E./B.Tech./B.Arch./B.Plan., students for the subjects/practicals, whose examinations are yet to be conducted.

You are hereby directed to bring the same to the notice of all concerned and follow them scrupulously. All the Institutes must submit a compliance report in this regards to undersigned. Non-compliance and casual approach by the institute in implementing above programme will be viewed very seriously.

Note: email ID to upload the compliance report - shhvtusa@gmail.com

F.No.: AICTE/AB/Academic Calendar/2020-21

Dated: 13/08/2020

To

All AICTE Approved Institutes / Universities

Sub: Revised Academic Calendar for A/Y 2020-21 – regarding.

As we all are aware, our country is going through a National Emergency that has arisen due to the outbreak of COVID-19.

UGC has issued revised guidelines on examination and academic calendar for all Universities, in view of the COVID 19 on 06/07/2020. All the AICTE approved institutions / universities are requested to follow UGC Revised Guidelines on Examination.

Accordingly, Council has issued revised Academic Calendar for 2020-21 for Technical Institutions. (copy attached)

The classes may be started in online / offline (class room) or blended mode (online + offline) following the prescribed protocols / guidelines related to COVID-19.

The academic calendar may further change subject to the condition existing due to COVID-19 pandemic and guidelines issued by Ministry of Health, Home and Human Resource Development.

Institutions who have already started classes as per earlier AICTE calendar, either postpone the classes or conduct special classes for the students who would be required to appear in final year examination of their Graduation / Diploma.

The Revised Academic Calendar for A/Y 2020-21 is available on www.aicte-india.org.

REVISED ACADEMIC CALENDAR			
Sr. No.	Event(particulars)	As Per APN 2020-21	Revised Calendar as on 11.08.2020
1.	Last date to grant approval to Technical Institution	30 th April of the Calendar Year	30 th June of the Calendar Year
2.	Last date for Grant of affiliation by University/ Board	15 th May of the Calendar Year	15 th September, 2020
3.	Last date for Completion of First round of counselling/ admission for allotment of seats	On or before 30 th June of the Calendar Year	20 th October, 2020
4.	Last date for cancellation of seats of Technical courses except PGDM / PGCM with full refund		10 th November, 2020
5.	Last date for Completion of Second round of counselling / admission for allotment of seats / commencement of 1 st semester classes	On or before 10 th July of the Calendar Year	1 st November 2020
6.	Last date up to which students can be admitted against vacancies	15 th August of the Calendar Year	15 th November 2020
7.	Last date for Commencement of classes for existing students of technical courses except PGDM / PGCM		1 st September, 2020
8.	Last date for Commencement of the classes including Lateral Entry to Second Year Courses for newly admitted students	1 st August of the Calendar Year	1 st November 2020
9.	Technical Institutions conducting PGDM / PGCM Courses shall not initiate the admission before	1 st April of the Calendar Year	1 st April 2020
10.	Commencement of classes for existing students PGDM / PGCM		15 th July 2020
11.	Last date for cancellation of seats of PGDM / PGCM with full refund	30 th June of the Calendar year	17 th August 2020
12.	Admission ending date of PGDM / PGCM Courses	30 th June every year	25 th August 2020
13.	The academic session for the PGDM / PGCM Courses for newly admitted students,	1 st July of the Current Calendar Year to 30 th June of the next Calendar Year	10 th August 2020
14.	Last date upto which students can be admitted in Open and Distance Learning Courses	15 th August and 15 th February of the Calendar year for the July and January Session respectively	30 th August 2020 and 28 th February 2021 in two sessions respectively.

Note:

- All the AICTE approved institutions/universities are requested to follow UGC Revised Guidelines on Examinations in view of COVID-19 Pandemic.
- The classes may be started in online/ offline (class room), or blended mode (online + offline) following the prescribed protocols/ guidelines related to COVID-19 pandemic.
- The academic calendar may further change subject to the conditions existing due to COVID-19 pandemic and guidelines issued by Ministries of Health, Home and Human Resource Development.
- Institutions who have already started classes as per earlier AICTE calendar, either postpone the classes or conduct special classes for the students who would be required to appear in final year examination of their Graduation/ Diploma.
- Student Induction programme for the AY 2020-21 is suggested for one week instead of three weeks in the first semester and the remaining two weeks may be conducted in the subsequent semesters as per the convenience.
- In case of refund of fee, last date of the admission as mentioned in the schedule will be applicable.

(Prof. Rajive Kumar)
Member Secretary, AICTE

As per the circular by VTU dated 27 April 2021, Ref.: VTU/BGM/BOS/A9/2020-21/448, ATME College of Engineering is organized a II-phase of Student Induction program from 03 May 2021 to 10 May 2021 from 10.00-12.30 and afternoon 2.00-3.00 for revision classes.

The schedule for the event is shown below:

Day 1: 03 May 2021

Prof. Thejkumar J, Coordinator of the SIP, Phase-II, welcomed all the student participants and the coordinators to the II-phase of the Student Induction program. Later, the Dean Student Affairs Dr. Rathnakar G, gave the presentation on the importance of Universal Human Values and its importance in the present scenario.

Later, the Session-I was taken by, Prof. Thejkumar J, and in his presentation, he discussed the essence of UHV and revised the contents discussed during the phase-I of the UHV.

The **second session-II** is on the special lecture series. Prof. Bharathi from Humanities delivered the talk on Language Proficiency Model. In her address madam gave the importance of English language as it is a universal language and widely acknowledge language across the world.

The three importance aspects of Language proficiency i.e., Fluency, proficiency and Accuracy were discussed in detail. Also, madam addressed on the issues like the importance of English language proficiency in order to build the key competency like fluency in speech, public speaking, write up, phonology and the way they can face the interview with confidence.

Afternoon Session is on the revisions as per the VTU circular and concerned faculty coordinator handled the session by class wise.

Day 2: 04 May 2021

Session 1: Prof. Priyanka from Humanities handled the UHV session. Madam delivered her lecture on Self and Body. The discussion started with the listing of desires/ aspirations and students were allowed to list their desires. Later the students were asked to differentiate the desires as physical and mental needs. After discussions students were could able to understand the physical needs are infinite and the mental needs are infinite. Later the session carried on towards the self and the Body. Needs of the self and body are listed in the table. Distinguish between them are carried out. Students were advised to list and priorities their needs.

Session 2: Special Lecture Series

Topic: Awareness on Latest Technology

Speaker: Dr, Gorbali, Professor, Dept. of CSE, ATMECE

In special Lecture series Dr. Gorbali, Professor from CSE is delivered his lecture on Awareness on latest technology. In his lecture sir gave insight about the latest technologies like block chain management, Machine Learning, Artificial Intelligence etc.

In his address, professor quoted the statistics how Artificial Intelligence and machine Learning changing the modern-day business. Also, sir addressed that there is huge scope of job perspective in AI and ML domain. To list the few big data management, business intelligence developer, data scientist, AI data analyst, product engineer, AI Engineer etc.,

Sir Also, discussed on the IoT (Internet of Things) with examples such as e-commerce like amazon and flipkart, make my trip, digital home security system etc., Also he emphasized the opportunity is evenly distributed to all the domains of Engineering. For example, A civil Engineer can think of Virtual Reality and augmented reality, Smart materials the way they change the shape of the design of buildings etc., 3D printing technologies, AI based robotics, Computer Integrated manufacturing etc. will certainly change the way mechanical Engineering is at present.

In his conclusion statement sir advised all the students to be open and think out of the box. Also said students should feed right things to their senses so that they can apply their knowledge and keep their mind creative.

Day 3: 05 May 2021

Session 1: Prof. Ramachandra, from the Department of Physics continued the session on UHV from the Self and Body. Also, sir spoke on the values. Sir in his lecture given the importance of Value education and the change that it can bring once life.

Session 2: Special Lecture Series

Topic: Research Developments

Speaker: Dr. Bhagyashree S R, Professor, Dept. of CSE, ATMECE

In the special lecture series Dr. Bhagyashree S R, Dean Research addressed the students on the Research Developments. As higher education institution is focusing on knowledge delivery, Research and Innovation, madam presented her topic on Research & developments.

Madam In her presentation madam given the importance of research in the academics. Madam started her presentation with the present status of research in India. India ranked 3rd in the world in terms of research and Development, scientific publication amounts 5% of global and one among the top 3 in nano technology. Later madam explained the students why research is important by taking the example of vaccine to Covid-19.

Also, in her presentation madam explained how student can develop interest on Research. Quoting an example of participating laboratory experiments and relating them to real life application one can develop interest and can conduct more experiments with help of a faculty

and can come with new outcomes. It also helps in maintaining good relationship with the faculty/ mentor. Madam urged the student should develop research-oriented learning which will help them building good CVs and help them in securing good jobs later in the placements.

The modifications/changes taking place in curriculum also aims at students to take part in the Research. NEP, Accreditation bodies, new curriculum by the universities all focused on the collaborative learning. Also, students can work close with industry and can bridge a gap between academia and industry.

At the end madam, presented the help the students can get from the institution. The organization always motivates to take part in the conferences, project exhibitions, writing proposals to various bodies to fetch the grants, Also, madam stressed on the achievements of students for getting grants from KSCST, participating in National level Hackathon and getting listed in finals. Also, requested the students continue the legacy of the great achievement.

Day 4: 06 MAY 2021

Session 1: Prof. Maria Sushma, from the Department of EEE, gave her lecture on UHV on the topic peer pressure and self-confidence. In her lecture madam talked about the peer pressure and its effects. Also, madam gave the hints to come out of the negative peer pressure and cope up with the positive pressure with certain examples.

Session 2: Special Lecture Series

Topic: Yoga Practice Talk

Speaker: Mr. Girish D R, Yoga Trainer & Freelance Designer

In the special lecture series Mr. Girish, a yoga teacher from Mysuru gave his lecture on Yoga and meditation. In the beginning sir gave the insights about the importance of Yoga and meditation to keep up the good health and immunity at the present pandemic.

In his address, the speaker stressed upon the importance of keeping the health of a body and mind is vital and establish a balance between them is essential. He also opined that yoga and meditation acts as a catalyst and will help the individual to keep the energy and composure at the stressful environment i.e., mental fitness.

In this context he conducts few pranayama exercises and taught meditation. To start with he demonstrated the sitting aasana like sukhasana and vajrasana, which he told are best assanas to carryout pranayama. Keeping chinmudra, he taught few breathing exercises. Also, students were allowed to practice at the same time looking into the demonstration. During the demonstration he said, Increasing the lung capacity will certainly increase our oxygen saturation level in our blood.

Figure: Live demonstration of meditation

Figure: Live demonstration of Pranayam

He urged our students to have a practice of doing yoga and meditation at least twice a day in our life style. He emphasizes the young generation that along with modern fitness tools and training like gym, aerobics, our ancient and proven yoga and meditation will elp us in maintaining our health of our body as well as our mind.

Day 5: 07 MAY 2021

Session 1: In the UHV session, Prof. Thejkumar J from the Department of Mechanical Engineering talked about the Values. In his presentation sir, explained about the 28 values in UHV and discussed few human values such as Gratitude, respect. Also, discussion was held on Competition and Cooperation, Competition and Excellence and different relationships in human living.

Session 2: Special Lecture Series

Topic: Outcome based Education

Speaker: Dr. Govinde Gowda M S, Dean Academics, ATMECE

In the second session Dr. Govinde Gowda M S, Dean Academics, gave the awareness on **Outcome Based Education (OBE) System**. In his lecture sir gave the importance of Outcome based Education, what is OBE?, the need for OBE and advantages of OBE.

He stressed on the Outcome based Education will bring a change from faculty centric approach to student centric approach. Also, the OBE is valuated not based on the credits/ results obtained

by the students rather it is evaluated by the success of the student will able to obtain his/ her desired goal.

Later sir, continued his presentation and lightened on the accreditation and process. He educated the students that if a program got accredited by NBA or any other accreditation body means the education, knowledge, skills the students will acquire from that program will be recognized Globally. Also, accreditation will also help the students to get and secure their jobs as many of the countries recognize degree from the accredited programs only.

He also explained the student community about the changes OBE can bring in their curriculum. It makes the students to active in learning, improves the quality of learning, flexible curriculum, better industry-Institute interaction.

Later Sir touched about the 12 graduate attributes and explained about the characteristics of each attribute. He also explained about the learning outcomes and revised blooms taxonomy levels to the students. He stressed the importance of RBT levels and student learning ability should reach from low level to higher level.

Day 6: 10 MAY 2021

Session 1: Dr. Chethan S, Asst. prof, department of Mechanical Engineering, gave the presentation on Anger Management. In his presentation sir discussed about the various adverse effects of anger. Also, sir gave the tips to control the anger and presented few videos on anger management. At the end of the day sir conducted a quiz on the topic discussed and students were actively participated in the session.

Session 2: Special Lecture Series

Topic: Awareness on Covid-19

Speaker: Dr. Avinash, Dept. of Chemistry, ATMECE

In the second session Dr. Avinash from the Department of Chemistry gave the awareness on COVID-19. In his address, he speaks about the diseases, types, bacteria and viruses. He differentiated between the virus and bacteria for better understanding of the topic.

Later, the discussion moved towards the novel corona virus. Discussing about its family and till to its present mutants, he explained various testing procedures available to identify the infection of Covid-19 Virus.

Also, sir explained the various symptoms of the Covid-19 disease and comparison is made between the symptoms during the I-wave and II-wave.

Later in his presentation, he talks about the vaccination and the procedure the people need to follow to get the vaccination. He stressed upon the Registering in the Cowin app and scheduling for the vaccination according to availability is must. Also, he requested that, even after getting vaccinated one should follow the safety norms such as wearing masks when in public, maintaining social distancing and keeping hygiene and washing hands regularly.

He stressed upon the way younger generation becoming victim for the Covid-19 in its II-wave. So, he urged all of our students to not neglect the spread of covid and follow all the protocols and procedures issued by the ministry of health.

Also listed the procedures followed by our college in order to contain the Covid-19 such as

- The college made restricted entries so that faculties and all the students are screened before entering the college. Thermal scanning and hand sanitization made compulsory for every one entering the campus.
- In order to maintain the social distancing a vigilant team is formed and they monitor the same at the free hours in campus.
- The class rooms were sanitized regularly after the classes are completed.
- The faculties were advised to strictly follow the SOP and classes were conducted as per the SOP.
- Sign boards were placed on places, so that students are aware and adopt the SOP.
- Also, students, staff's details traced with Covid-19 is managed and will be updating the university regularly.
- A primary health care system is also placed for any emergency.

Training Feedback Form

Event : Placement Training		Company: Career Prime, Mysore
Semester : 7th		Date: 21 August, 2019
Name of the Trainer: Mr. Arasu		
Topics Covered: Day 1: Session 01.		
SL.No.	Key Parameters: <5:Average 7:Good 9:Very Good 10:Excellent	*Grade
1.	About the Session , was it useful	9
2.	The Resource Person was clear in reaching out the objectives set for the training	10
3.	The time duration of sessions: Adequate time was provided for questions and discussions.	9
4.	The Course material	—
5.	a. The training met my expectations	9
	b. I will be able to apply the knowledge learnt	9
	c. Quality of instructions :Content was organised and easy to follow	10
7.	How do you rate the training overall	9
8.	General Feedback: what aspects of the training can be improved and other comments, if any?
