## Report on Webinar

### **“Industry Academic Interaction: Targeting Placements, Soft-Skills & Future Plans”**

ATME College of Engineering has reached yet another milestone and completed 10 years. As part of ‘DECENNIAL CELEBRATIONS’, Department of Electronics and Communication Engineering has organized a **Webinar on “Industry Academic Interaction: Targeting Placements, Soft-Skills & Future Plans”** on **21<sup>st</sup> June 2021**. The webinar was targeted for students of final and pre-final years. A detailed report regarding the event is furnished below.

**Date:** 21<sup>st</sup> June 2021

**Title:** Webinar on “Industry Academic Interaction: Targeting Placements, Soft-Skills & Future Plans”

**Coordinators:** Mr. Guruprasad K N, Mrs. Keerthi A Kumbar  
Assistant Professors, and Faculty Placement Coordinators, Dept. of ECE

**Timings:** 3.30 PM to 4.30 PM

**Resource Person:** Sangeetha V (ATMECE Alumni, Dept of ECE, 2016-2020 batch), Technical Solutions Consultant, Hewlett Packard Enterprise, Bangalore.

**Meeting Platform:** MS Teams

**Meeting link:**

[https://teams.microsoft.com/l/meetup-join/19%3ameeting\\_ZGMxOGFIYWMTMTImMC00MmIxLTlhNjctYzRiYzllMzdmMzg2%40thread.v2/0?context=%7b%22Tid%22%3a%2289f95930-ff96-41a1-9e3e-b6d194192bff%22%2c%22Oid%22%3a%22eab185cb-b8d1-4abe-b629-4bf1e62c9cc7%22%7d](https://teams.microsoft.com/l/meetup-join/19%3ameeting_ZGMxOGFIYWMTMTImMC00MmIxLTlhNjctYzRiYzllMzdmMzg2%40thread.v2/0?context=%7b%22Tid%22%3a%2289f95930-ff96-41a1-9e3e-b6d194192bff%22%2c%22Oid%22%3a%22eab185cb-b8d1-4abe-b629-4bf1e62c9cc7%22%7d)

### **Importance of Industry Academic Interaction**

Academia- Industry Interaction could be defined as interactive and collaborative arrangement between academic institutions and business corporations for the achievement of certain mutually inclusive goals and objectives. A productive interaction between industry and academia, in the present times of knowledge economy, is a critical requirement. Industry-academia interaction brings to meet the industry’s needs and expectations and the academic

aspirations. The goal of this webinar was to outline the importance of placements, how to enrich students' personality with good soft skills and future plan as per industry requirement.

### Targeted participants:

Targeted participants for the webinar were the **students of final and pre-final years**. A poster was circulated in WhatsApp group inviting the students from final and pre-final years to attend the webinar. The webinar was offered free of cost.

A total of 130 students were participated in the webinar.

The E-poster circulated for the participants is shown below:

### How to prepare for a specific company?

- Go through the job description thoroughly.
- Research about the interview process / question online. (Quora, Glassdoor, Ambitionbox, Indeed.com, IndiaBIX).
- Get the previous years question papers.
- Get in Contact with a person working there (if possible).

V. Sangeetha

After the completion of the webinar, feedback was collected from the participants regarding the event.

Feedback link: <https://forms.gle/bK3kdk1amjAYcKEE8>

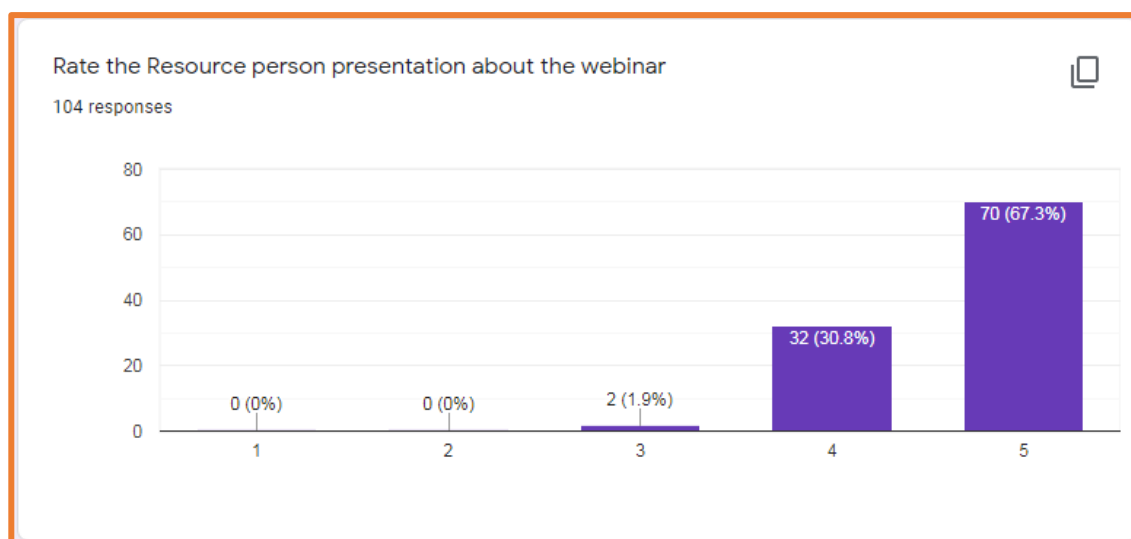

A total of 104 students given their valuable feedback regarding the webinar. Following questions were asked in the feedback. Participants were asked to rate the session in the scale of 1 to 5, 1: Poor, 2: Average, 3: Satisfactory, 4: Good, 5: Excellent

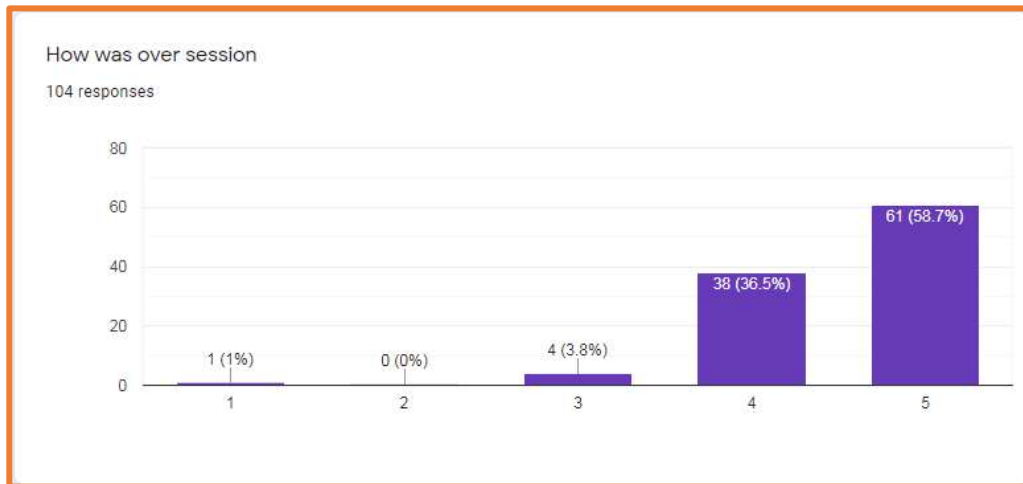

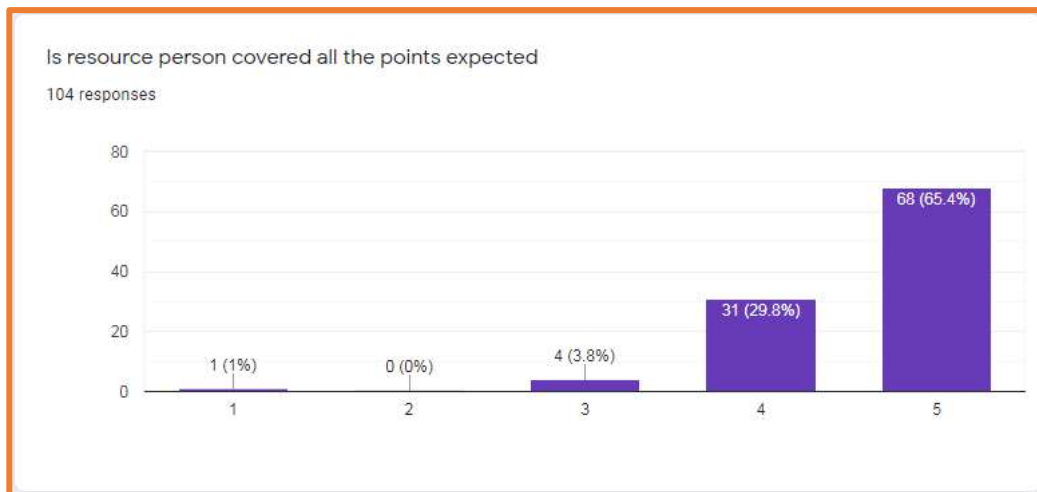

- Rate the Resource person presentation about the webinar
- Is resource person covered all the points expected
- How was over session
- Any suggestions

The feedback received is shown in below table.

Parameter/Scale	Excellent	Good	Satisfactory	Average	Poor
Rate the Resource person presentation about the webinar	67.3%	30.8%	1.9%	NIL	NIL
Is resource person covered all the points expected	65.4%	29.8%	3.8%	NIL	1%
How was over session	58.7%	36.5%	3.8%	NIL	1%

Following are the screenshots of the feedback:

Along with the feedback, students were also asked to provide the suggestions. Most of the participants replied as 'informative one' and want the department to conduct such programs in future also.

Any suggestions

104 responses

no comment

Nothing, but it was an excellent session and very informative

NOTHING IT HELPED A LOT

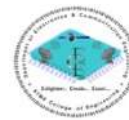

Like more senior to present webinar like this , In some another companies camps selected students Thank you for giving this webinar It was help full .

It was very helpful

Over-all the session was good

The overall session was very good. Hence no suggestions

Indeed it was wonderful session and informative She really covered all the interview tactics and response towards the interviewer questions. Very helpful good session, Thankyou .

Our sincere thanks to **Management**, ATME College of Engineering, **Dr. L. Basavaraj**, the Principal, ATMECE for their kind support towards conduction of the webinar. Event coordinators are greatly indebted to **Dr. Mahesh P.K.**, HOD, Dept. of ECE for his continuous encouragement and the support for the successful completion of the webinar.

## Department of Computer Science & Engineering

---

**Organizing Department Name:** Department of Computer Science & Engineering.

**Event type:** Inter College.

**Title of the event:** "Importance of Data science in modern world"

**Date:** 22/06/21

**Venue:** Department of Computer Science & Engineering, ATMECE.

**Resource person/Guest: Name:** Mr Shashank S

**Designation:** Application Specialist, Koch Business Solution

**Event Description:** Conducted a webinar on "Importance of Data science in modern world" in CS Dept with association of alumni association. This webinar is targeted to 4<sup>th</sup>, 6<sup>th</sup> and 8<sup>th</sup> sem students.

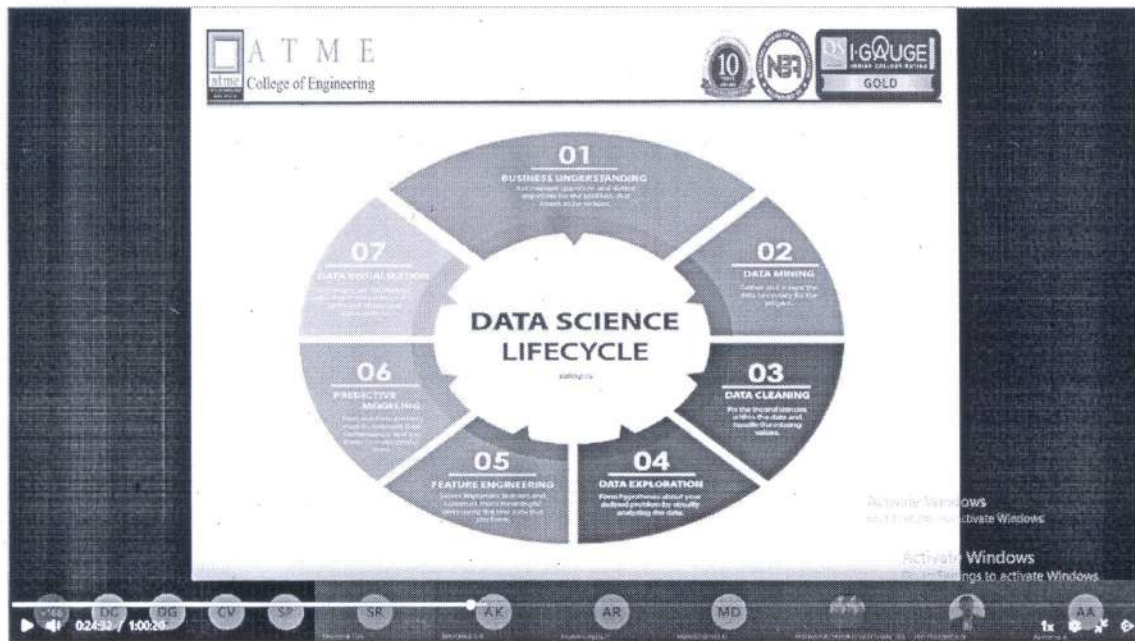

**Objective:** This webinar was organized to impart knowledge about data science in modern days for students. Data science is an important field focused on understanding and drawing specific business, financial, manufacturing and medical research and forecasting. The data science process is about analyzing, visualizing, extracting, managing and storing data to create insights from analytics. These insights and reports help companies analyze their marketing strategies, make powerful data-driven decisions and create better advertisements. Easy access to continuously growing sets and data is possible in collaboration with financial technology companies, who use technology to innovate and enhance traditional financial products and services.

**Benefits of Data Science:** Data Science and Big Data are very important to help improve the company's operations in the future. Data science is very beneficial for better marketing forecasting. Data science can help reduce the constraints of time and budget allocation and help in the development of business. Data science has determined the results of many manual tasks that could be superior to human influences.

The webinar provides knowledge to the faculties on data science concepts.

## Department of Computer Science & Engineering

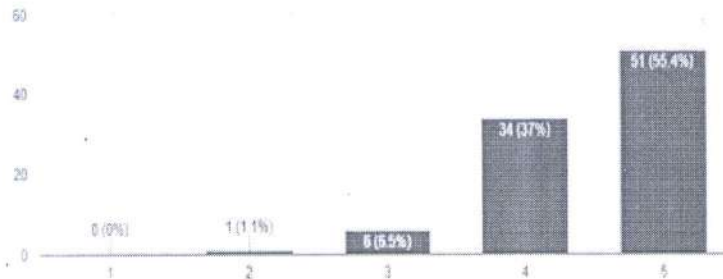

**Outcome:** After completion of the webinar the students got detail picture about today's market in data science.

## CAREER OBJECTIVE

Looking forward to be involved in work, where I can utilize my skill, update and creatively involve with the system for the growth of the organization, while achieving organizational and personal goals. With a positive thinking mindset and being a honest person, I am open to hard work. I am amicable and can create a pleasant working environment and can withstand Pressure also. With these qualities, I am looking for a challenging position at a renowned company to prove myself.

## PROFESSIONAL EXPERIENCE

An IT professional with over 2.3 year experience as Software engineer with progressive technical experience in configuration, maintenance, integration, implementation and troubleshooting of applications for corporate enterprise environments along with project management, design, and engineering.

### Present Company Details:

**Company Name:** Wipro, Mysore.

**Duration:** From Dec 2018 to March 2021 (Serving Notice period).

**Designation:** software engineer.

### Roles and Responsibilities:

- Total experience of 2.3 years in support, design and development of applications in SQL and dotnet.
- Knowledge of services and schedulers.
- Experience on working in Incident, Request and Change Management.
- Experience in admin related works.
- Knowledge about ticketing tool (service now).
- Experience in application backend support.
- Gathered data on integration issues and vulnerabilities and reported all findings, including improvement recommendations.
- Developed SQL stored procedures for data manipulation and querying data from SQL Server database.
- Stored, retrieved and manipulated data for close analysis of database performance.
- Correlation tool: Directed software design and development across multifaceted team to meet client's needs for functionality, timeline and performance.
- Discussed project progress with customers, collect feedback on different stages and directly addressed concerns.
- Analyze and integrate disparate data and systems using ETL processes and logic to provide timely and accurate information to our business partners
- Experience in Remoting tools like Bomgar and Logmein.
- Knowledge of API and Db integration with application.
- Knowledge of monitoring tools like ca-spectrum, hp-nnmi.

## ACADEMIC PROFILE

COURSE	INSTITUTION	BOARD	PERCENTAGE	YEAR OF PASSING
Completed B.E course in Electronics & Communication Engineering (Lateral Entry)	Academy for Technical, Management and Excellence (ATME), Mysuru.	Vishveshwarya Technological University, Belgavi	62% (aggregate)	2018

## PROJECT

- **Asset inventory Management:** Maintaining asset inventory of 100 and odd customers.
- **Wecare:** To indicate the performance (up/down status) of customer assets daily, weekly and monthly basis.
- **Report Repository:** Design and maintenance of **tool** which helps engineers to track the tickets logged on to their name and work on the same effectively.

## STRENGTH

- Goal Oriented
- Problem understanding and solving
- Creative
- Quick learner
- Leadership

## EXTRA-CURRICULAR AND CO-CURRICULAR ACTIVITIES

- Attended national level coding competition, conducted by DISE, Delhi in September.
- Anchored in office event celebration.
- Represented office cricket team.
- Used to take initiative of competitions like bay decoration, fun games and others in organization and completed it successfully.

## ACCOMPLISHMENTS

- Presented a paper on Swadesh Development (as a part of Make in India initiative), in a national conference held at Sathyabhama University, Chennai.
- Winner of college level event titled 'Startup Wars', "Mad-ads" conducted by E-cell, held at ATME, Mysuru.
- Received **best engineer** of the quarter-2 within 10 months of my working experience.
- Mentored four new employees to bring them up to speed on projects, resulting in quick overall completion milestones
- Successfully completed a "**Lean Project**".
- Promoted to senior engineer within "15 months" of employment.
- **HACKATHON 2017:** Reached Final at National Level Competition held at Amritsar, Punjab, April 2017.

## HOBBIES

- Playing Chess
- Playing cricket
- Dance

## PERSONAL INFORMATION :

Date of Birth : 28<sup>th</sup> May 1997  
Gender : Male  
Nationality : Indian  
Father's name : Sudheendra .S  
Mother's name : Shashikala A  
Permanent Address : LIG 108, Kuvempunagar, Mysore  
Languages known : English, Kannada.

### Declaration

I hereby declare that all the above information given by me is true to my knowledge and I hold the responsibility of the above mentioned information.

Hello Sir,

I have uploaded all the details, that you have provided me.  
It's my great pleasure to support my Juniors in any kind of way.  
I wish for their successful career & good health.

Note:  
Juniors will receive a mail from the Mindtree Company.  
While filling the form, kindly inform them to enter referrer name (PFA) as Dhanush M M.

Regards,  
Dhanush M M

### Summary

- A competent professional with extensive conceptual knowledge and work experience in Web designing and development.
- Total 4 years and 3 Months of Experience in Web Designing and development.
- 2 years of experience in Angular Js and 9 Months of experience in Angular2/4/5 and Writing services.
- Designing web pages with HTML5, CSS3 and Writing the functionalities using JQuery, JavaScript.
- Exposure in end to end development of web-based software products.
- Experienced in designing, coding & modifying websites from layout to function.
- Good knowledge of responsive web designing using CSS3 and frameworks such as Bootstrap3
- Ability to learn new technologies and adopt them in our practice.
- Involved in Recruitment activities, taking interviews for UI/UX and web developers.
- Giving training for employees for HTML5, CSS3, JavaScript, JQuery, Ajax, Angular-Js.
- Holding an approved B1/B2 visa for USA.

### PROFESSIONAL EXPERIENCE:

- Currently working as **Senior System Engineer** with **Siemens Technology** starting from **16<sup>th</sup> Jan 2018**.
- 2 years and 1 month of experience with **GalaxE Solutions Pvt. Ltd** working as Senior Developer since December 2015 to December 2017.
- 1 year and 5 months of Experience as Software engineer and working with **Vembu Technologies, Chennai**.

### TECHNICAL SKILLS:

Languages	: JavaScript, HTML, HTML5, CSS, CSS3, Java, JSP, AJAX, SQL
Frameworks	: JQuery, Bootstrap, jQueryMobiles, Angular.js, Angular2/4/5
Editors	: Eclipse, Notepad++, Photoshop
Tools	: AEM, Visual Studio

### Project Summary

**Siemens Technology Pvt. Ltd. January 2018 — Present**  
**Senior System Engineer**

<b>PROJECT</b>	: <b>Appvalidation Mindsphere</b>
<b>Team Size</b>	: 12
<b>Role</b>	: UI Developer/Designer
<b>Software Tools</b>	: HTML5, CSS3, Angular2/4 Java
<b>RDBMS</b>	: SQL 2005/SQL 2008

Unrestricted

## DESCRIPTION:

This project is designed to validate the apps being uploaded by various developers and vendors. It involves testing of the uploaded apps through various stages and then finally either approves the app or reject based on the various stages results. Internally the application performs various manual and automation test in order to test any kind of app thoroughly.

## ROLES AND RESPONSIBILITIES:

1. Requirement analysis, interacting with partners, understanding and providing a design solution for a feature.
2. Code Review, creating Unit Test documents and maintain the feature level documents.
3. Creating various web pages involved in the application for implementing the features.
4. Make features interactive and dynamically updated by constantly interacting with the backend services.
5. Writing the various html/ts/ coding in order to provide the end to end support for the features.
6. Attend various meetings involving partners and gather all the information required and explain it to the other team members.

Work effectively with the team members and get involve in resolving technical issues.

**GalaxE Solutions Pvt. Ltd. December 2015 — December 2017**  
**Senior Developer**

<b>PROJECT</b>	: Member COE
<b>Team Size</b>	: 4
<b>Role</b>	: Tech Lead
<b>Software Tools</b>	: HTML5, CSS3, Angular-JS, AEM, Java
<b>RDBMS</b>	: SQL 2005/SQL 2008

## DESCRIPTION:

This project involves development of an application used for ordering medications and re-filling the medications. Includes automating business workflows, solving existing performance issues, designing and Developing Error handling framework, upgrading existing framework.

## ROLES AND RESPONSIBILITIES:

1. Requirement analysis, interacting with client, Code Review, creating Unit Test documents and followed the CMMI.
2. Providing the efforts and estimation for the requirement to the client.
3. Responsible for creating web pages using HTML5, CSS3.
4. Creating components using HTML5, CSS3, Angular-controllers, services and making each component authorable using java beans and AEM.
5. Creating controllers and services for the application using Angular-Js.
6. Work effectively with the team members and get involve in resolving technical issues.

**GalaxE Solutions Pvt. Ltd. December 2015 — January 2016**  
**Associate Developer**

**PROJECT** : Internal Project  
**Team Size** : 4  
**Role** : Developer  
**Software Tools** : HTML5, CSS3, JQuery, JavaScript, Java  
**RDBMS** : SQL 2005/SQL 2008

**ROLES AND RESPONSIBILITIES:**

1. Involved in designing the website for the project.
2. Converting the JSON format of data to the flow chart presentation and pseudo code presentation.

**Vembu Technologies July 2014 — December 2015**  
**Software Engineer**

**PROJECT** : CRM Product- Social Desk  
**Duration** : 1 year 5 months  
**Team Size** : 3  
**Role** : Developer  
**Software Tools** : HTML5, CSS, JQuery, JavaScript, Bootstrap3, Java.  
**RDBMS** : SQL 2008

**DESCRIPTION:**

The Social Desk product of CRM is one of the product of Vembu Technologies. It helps in bringing all your social accounts at one place. As a buyer of the product, you will be able to add your face book, twitter, LinkedIn and RSS feeds accounts to this product and you will be manage all the social accounts from this platform, irrespective of logging in-to all your separate accounts. It allows you to, comment, share, tweet, your messages right from social desk without having need to log into accounts. It is also possible to create tickets from the comments, posts shared on social accounts and

assign them to the respective teams to get started to work upon the tickets as soon as possible. Social desk also provides overall reports and statistics about your accounts, like how many likes, followers etc.

**ROLES AND RESPONSIBILITIES:**

1. Work involves designing, coding & modifying websites from layout to function.
2. Designing the web pages for the product using HTML5, CSS3.
3. In Worked on upgrading Social-Desk product website based on bootstrap 2.3.0 framework to a completely new website based on bootstrap 3.0 framework and simultaneously enhanced it with many new features.
4. Worked on basic back-end involving java and SQL queries. Database connections, retrieving information from DB, creating JSON object, flowing data from front-end to back-end and vice versa via AJAX requests. Worked extensively to improve the performance of the store procedure, functions etc.
5. Perform unit test cases and submit the report to QA engineers.

## EDUCATION

## PERSONAL INFORMATION:

Name: Shalu Tomar  
DOB: 13.03.1993  
Place: Bangalore

**A Report on 'TECHNICAL TALK'****DATE: 13<sup>th</sup> November, 2018****Venue: Seminar Hall, 11:00PM**

The Computer Science and Engineering Department under Alumni association had organized a Technical Talk on "**Artificial Intelligence**" in Seminar Hall, Admin block for III, and V semester students of CSE on 13<sup>th</sup> November 2018. Ms. Shalu Tomar, Senior System Engineer, Siemens Technology was the resource person. The talk was coordinated by Ms. Shruthi P, Joint Secretary and Dr. Puttegowda D, Prof & Secretary, Alumni Association, Dept of CSE, ATMECE. The inauguration function was presided by Dr Manujunath S S, HOD, Dept. of CSE.

The Key Points that were discussed by the resource person is as mentioned below

- "Any task that is performed by machine with the aid of human intentions" is termed as Artificial Intelligence.
- "Intelligence that is demonstrated by machines" is also termed as Machine Intelligence.
- The power of Artificial Intelligence
- Types of AI-
  - Narrow AI
  - General AI
- Real Life Examples were given.
- What makes AI work?
- Types of Neural Network-
  - Recurrent
  - Convolution
  - Expert Systems
- Indian Organization with AI
- Challenges in Artificial Intelligence

### Information about the Resource Person:

- Ms. Shalu Tomar completed her school from Kendriya Vidyalaya and also she pursued her bachelor of engineering from ATME College of Engineering, Mysore 2014 batch.
- She has excelled in various technical skills languages like javascript,html,html5, Frameworks such as jQuery, bootstrap, angular.js, editors such as eclipse, notepad++,Photoshop and tools like AEM, visual studio
- She is a competent professional with extensive conceptual and working experience in web designing and development and has experience in designing web pages with html5, css3 and writing functionalities using jQuery, JavaScript.
- She has great exposure in end to end development of web-based software products and experienced in designing, coding and modifying websites from layout to function.
- She posses good knowledge of responsive web designing using css3 and frameworks such as booksrap3 and also she has the ability to learn new technologies and adopt them in our practice.
- She have involved in recruitment activities, taking interviews for ui/ux and web developers.
- She has an experience in giving training for employees for html5, css3, JavaScript, jQuery, Ajax, angular-js.
- She has total 4 years and 3 months experience in web designing and development and 2 years of experience in angular js and 9 months of experience in angular2/4/5 and writing services.

As professional she has worked in vembu technologies, Chennai for 1 year and 5 months as software engineer. And 2 years and 1 month of experience with GalaxE solutions pvt Ltd working as senior developer since from December 2015 to December 2017.

Now she is currently working as senior system engineer, Siemens Technology starting from 16<sup>th</sup> January 2018.

The Coordinators are seen standing in the picture and the Resource Person Ms. Shalu Tomar is seen sitting second from left in the picture along with Dr. Manjunath S S, HOD, Dept of CSE, Dr. Puttegowda D, Prof & Secretary, Alumni Association, and Ms. Shruthi P, Joint Secretary, Alumni Association, ATMECE

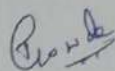

Ms. Shalu Tomar is captured while giving talk on "Artificial Intelligence "

From  
Dr.K.J.Suresha  
Dept. of Civil Engineering

Through  
HOD, Dept. of Civil

Respected Sir,

**Subject: Requesting permission to conduct on technical talk**

With reference to the above subject we would like to bring to your kind notice that the department of Civil is planning to conduct a technical talk on "Planning and Architecture & its application In Civil " on 17<sup>th</sup> November 2018. The chief guest for the function is Ananya Manohar, Lecturer, School of Planning and Architecture , University of Mysuru, Mysuru. The technical talk will be conducted in civil block. In this regard we are submitting the proposal for your kind perusal .The estimated budget for the function is around Rs.2000/- .Hence we request you to consider the same and permit us to conduct the said technical talk.

Thank you Sir.

  
Yours Sincerely

Encl: Proposed budget for the function
